# Suske en Wiske in het park

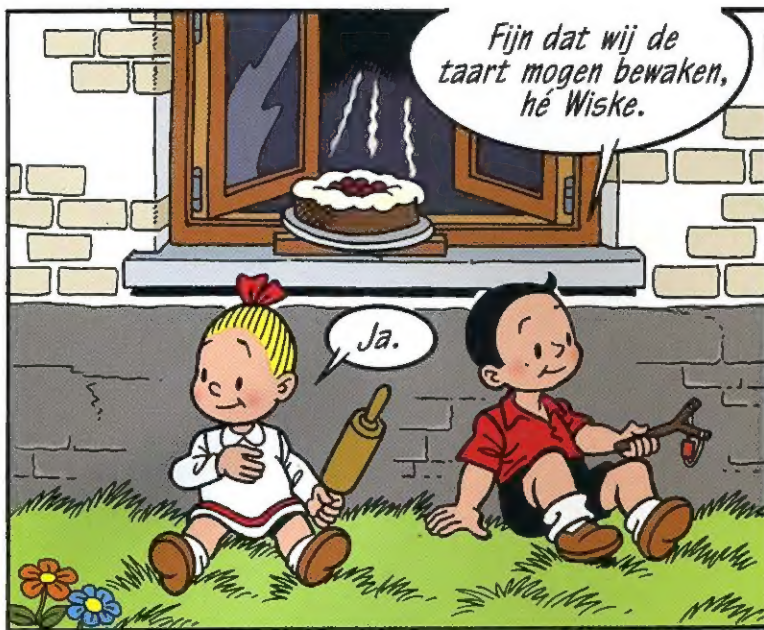

Ho Wiske, het is hier  
vreselijk koud aan de  
noordpool, brrr.

En ik zit hier op een  
prachtig strand met palmbomen.  
Het is hier snikheet,  
pffft!

Nu wandel ik over het ijs.  
WAW, ik zie een enorme ijsbeer  
op mij afkomen.

Ik ben aan het pootje-  
baden in de zee, hoor je de  
golven klotsen?

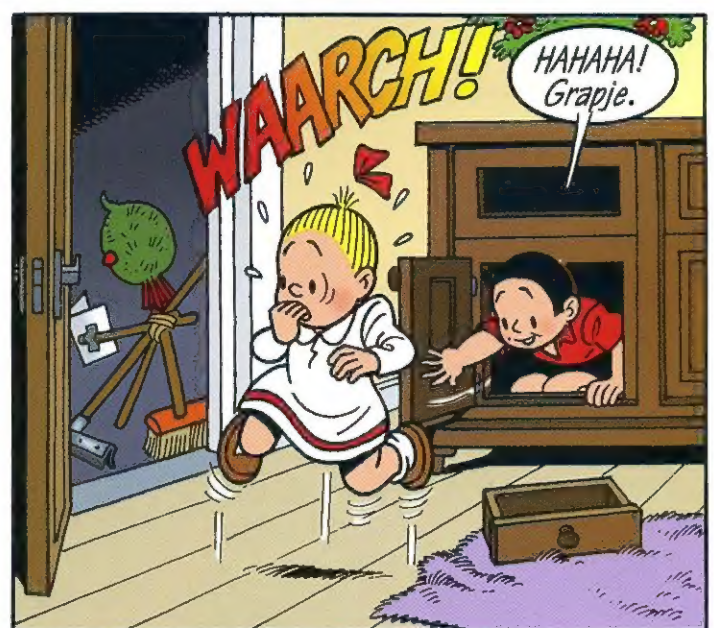

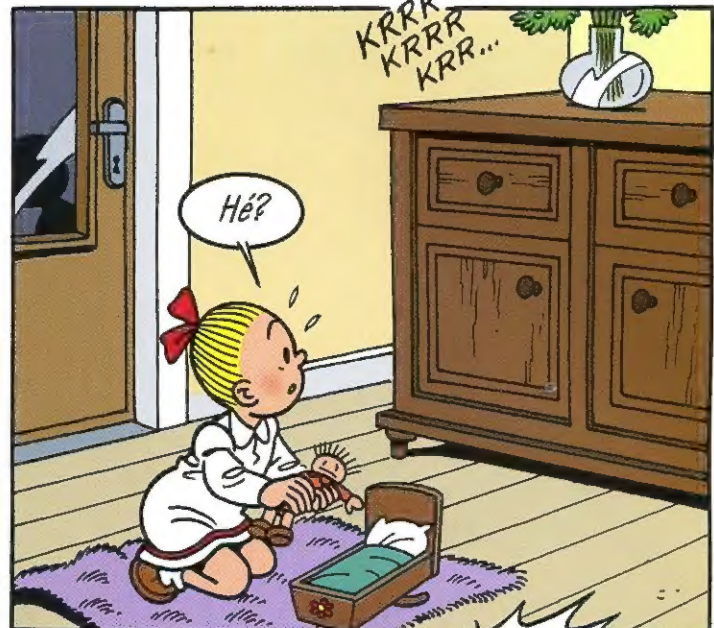

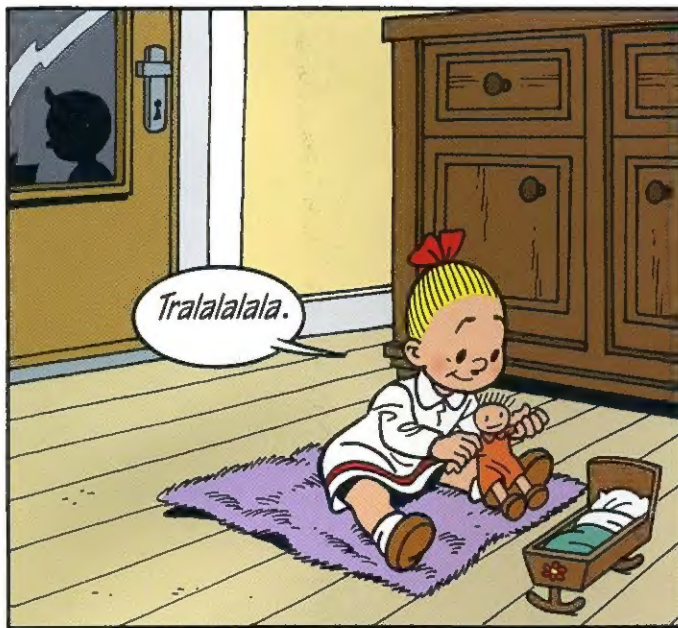

En daar, duizenden  
pinguïns. Oei, ik zak  
door het ijs!

Suske, leugenaar, aan  
de noordpool zitten geen  
pinguïns. Die zitten aan  
de zuidpool!

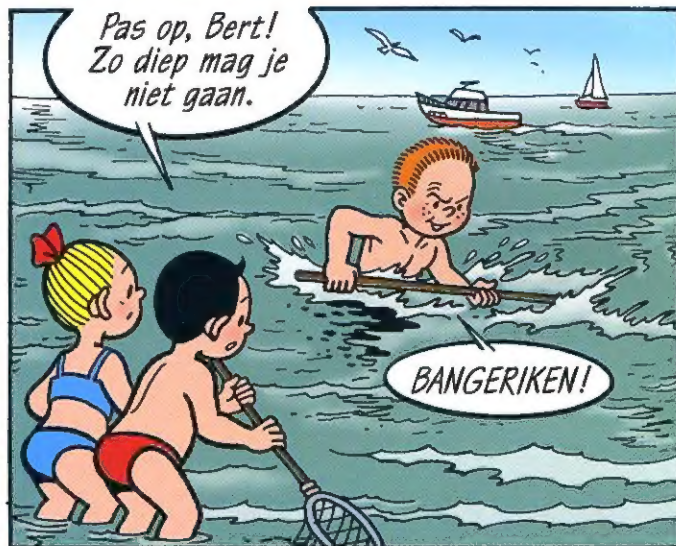

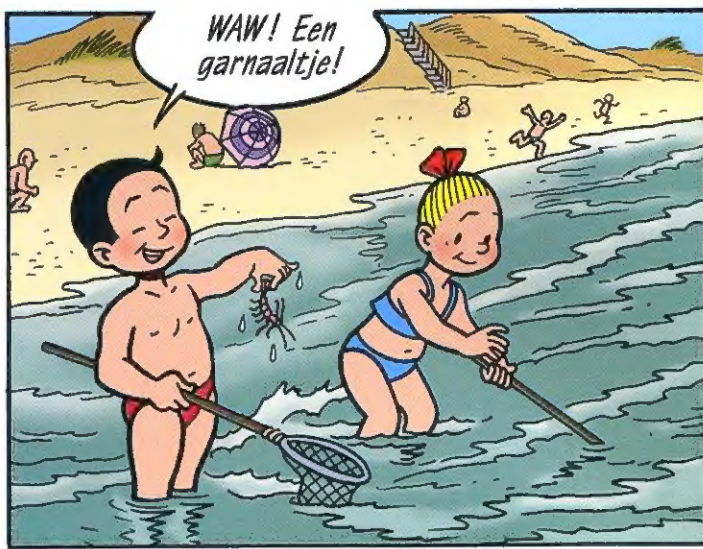

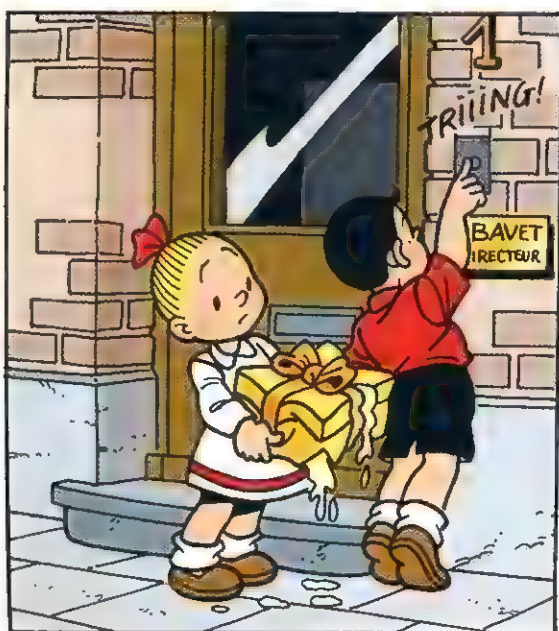

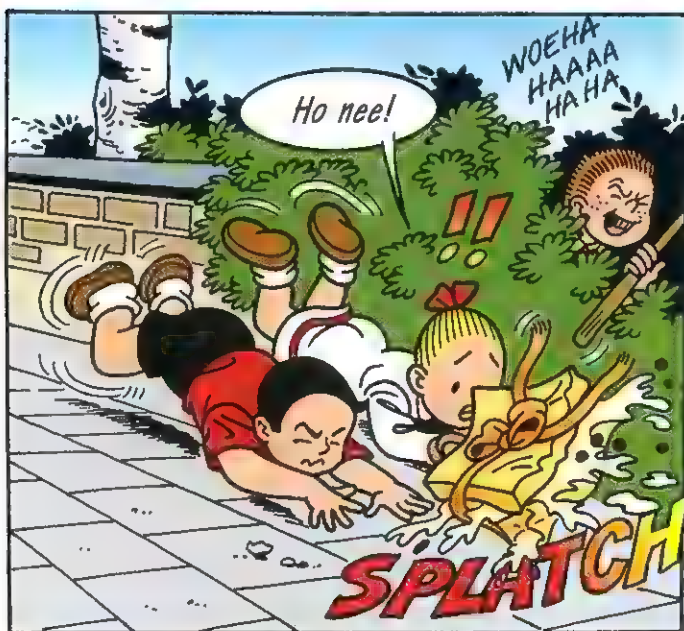

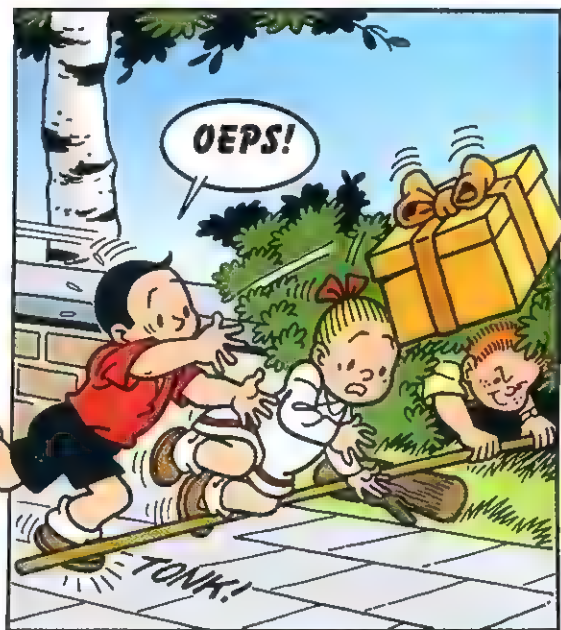

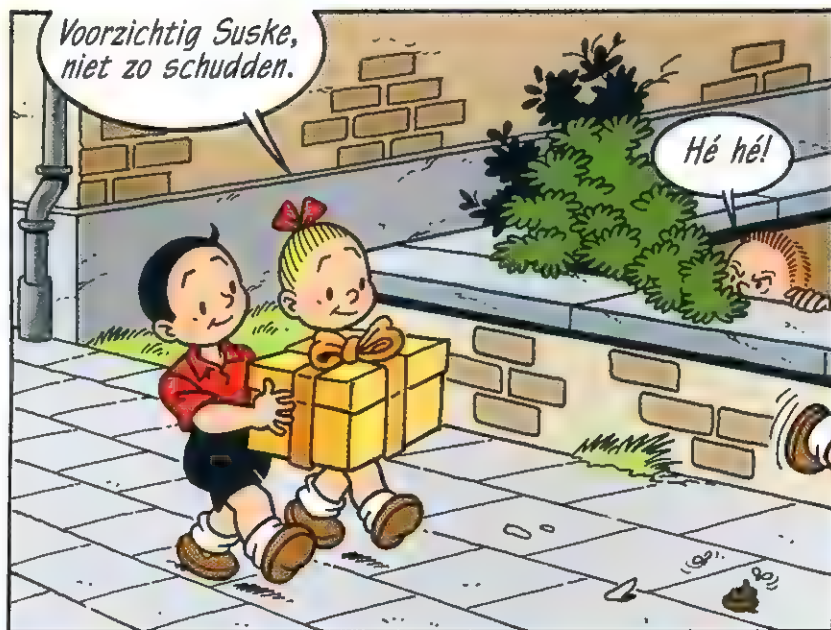

# Het fneutbeest

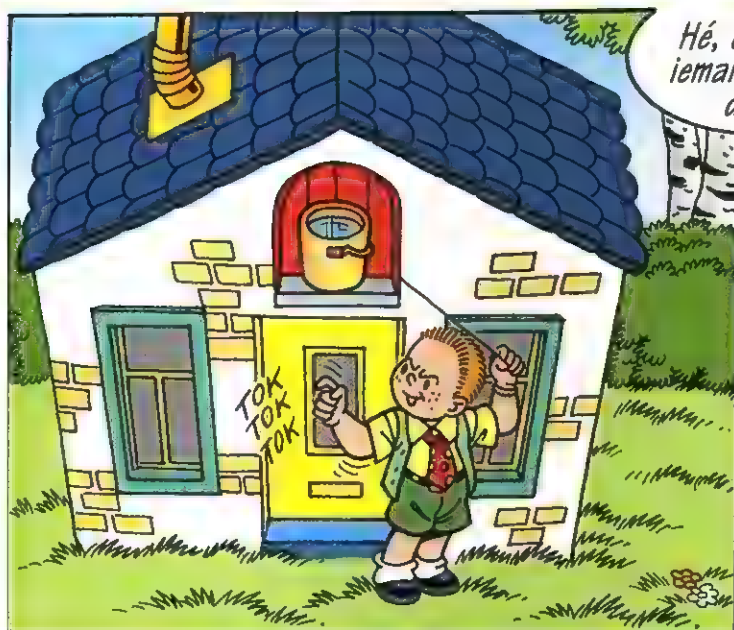

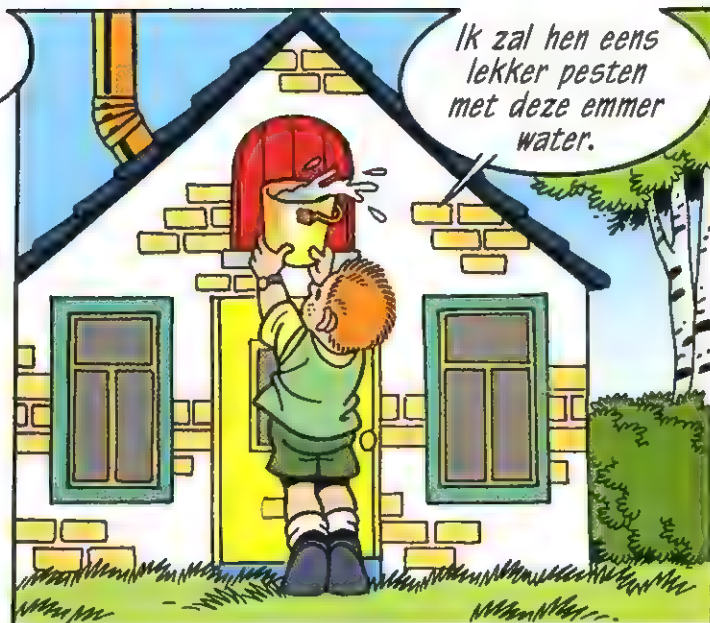

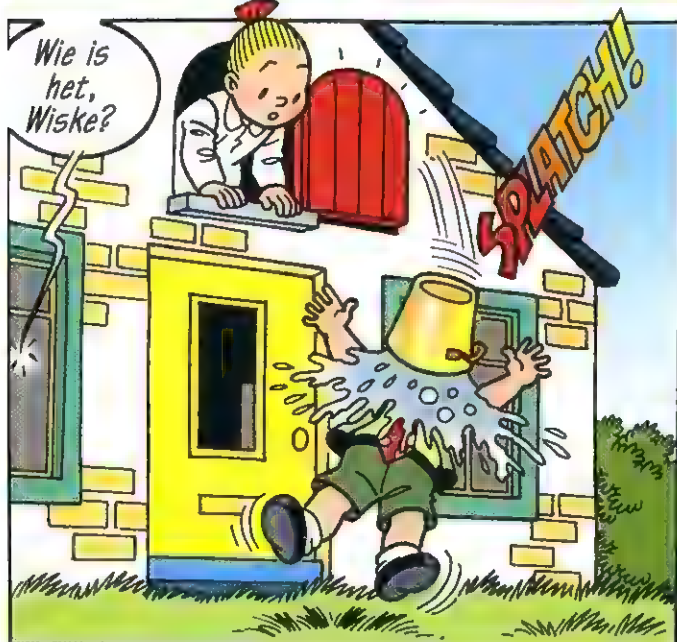

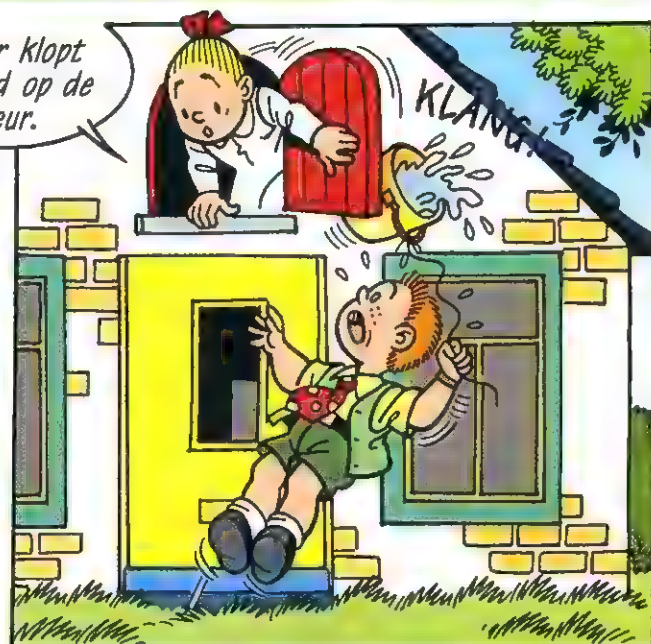

Hé, er klopt iemand op de deur.

Wie is het, Wiske?

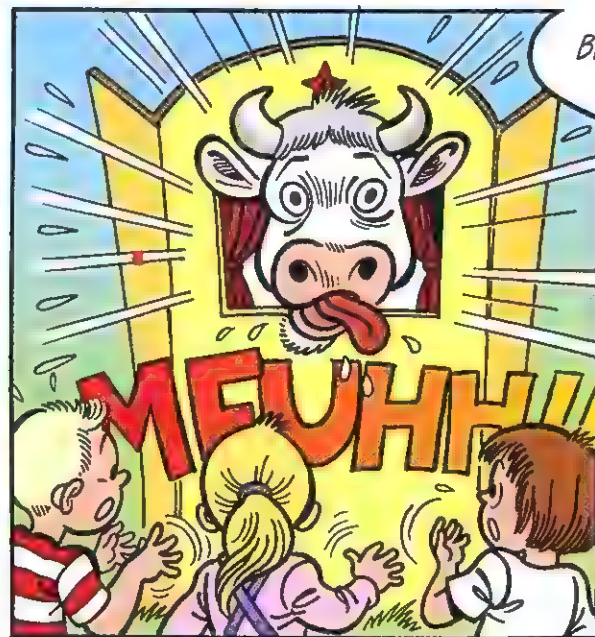

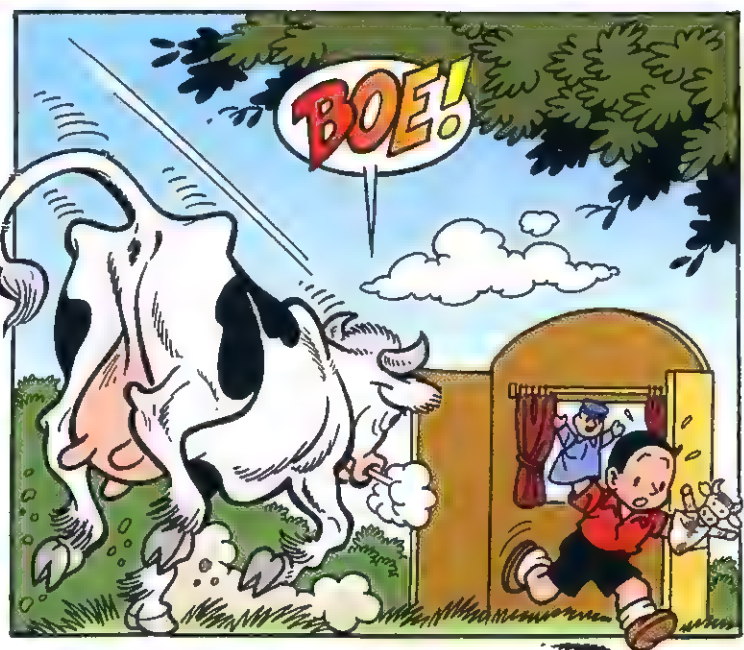

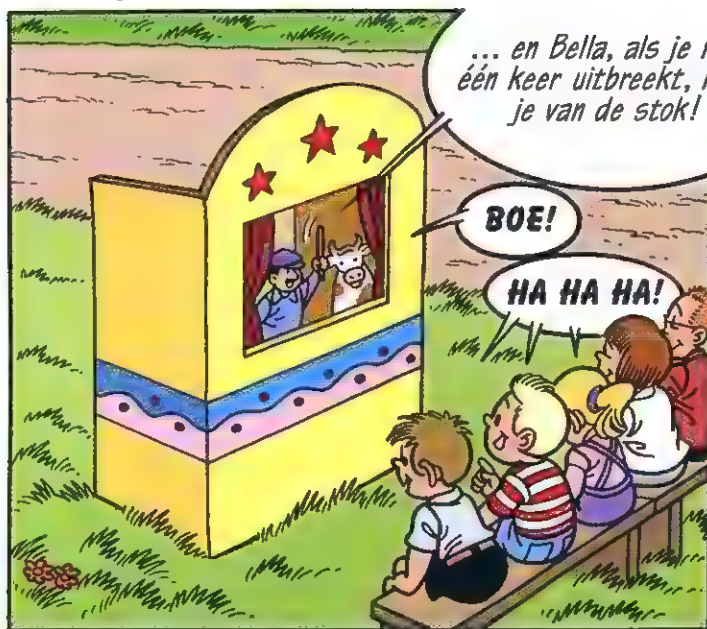

Een grapjas met een emmer op zijn hoofd.

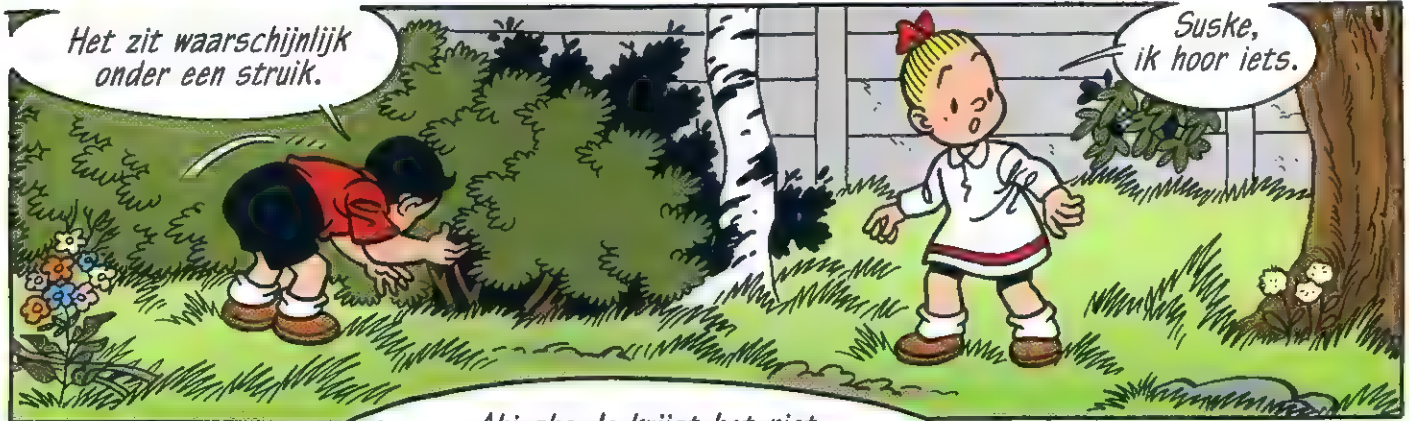

HA!  
HA!  
HA!

# Visje klein, visje groot

Wiske, je geeft ons goudvisje veel te veel eten. Straks wordt het nog een zeemonster.

Jij overdrijft altijd, Suske.

We zullen Wiske eens lekker laten schrikken.

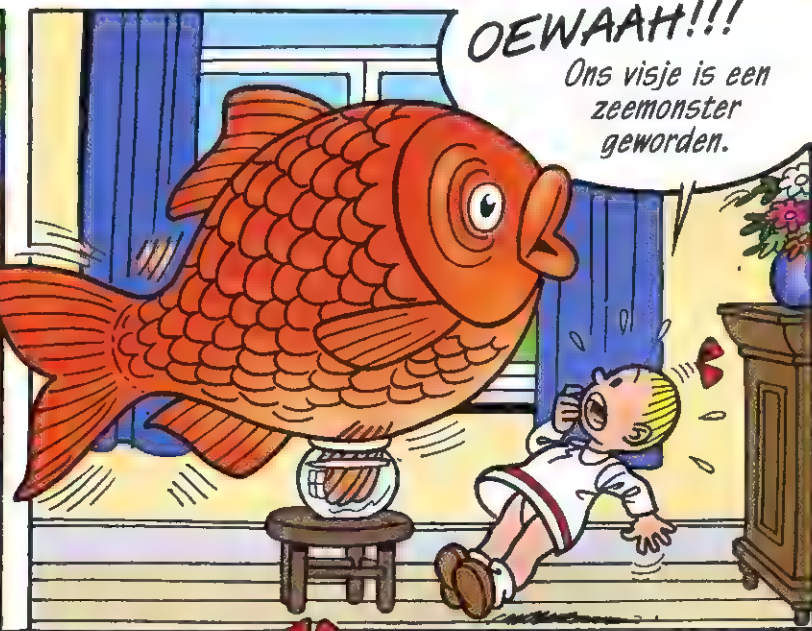

Nu even deze rubberen vis oppompen.

OEWAHH!!!

Ons visje is een zeemonster geworden.

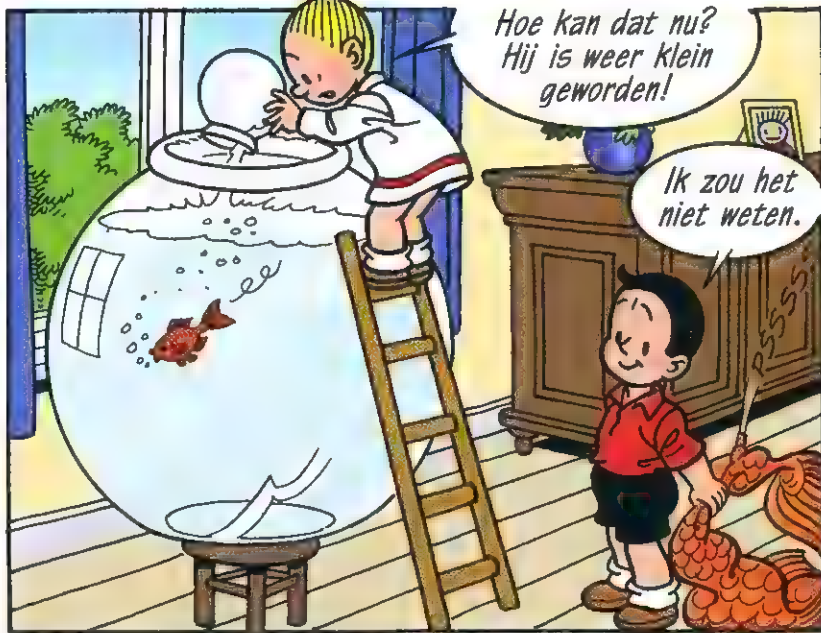

In deze bokaal past hij net!

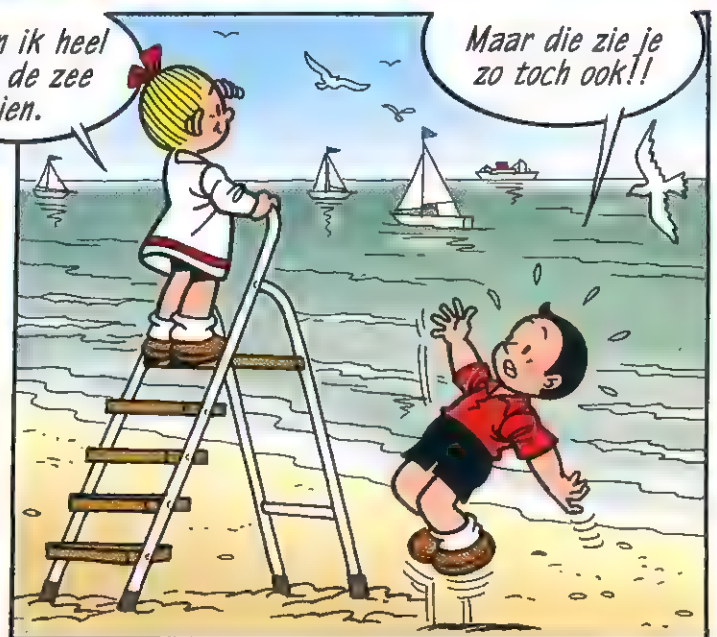

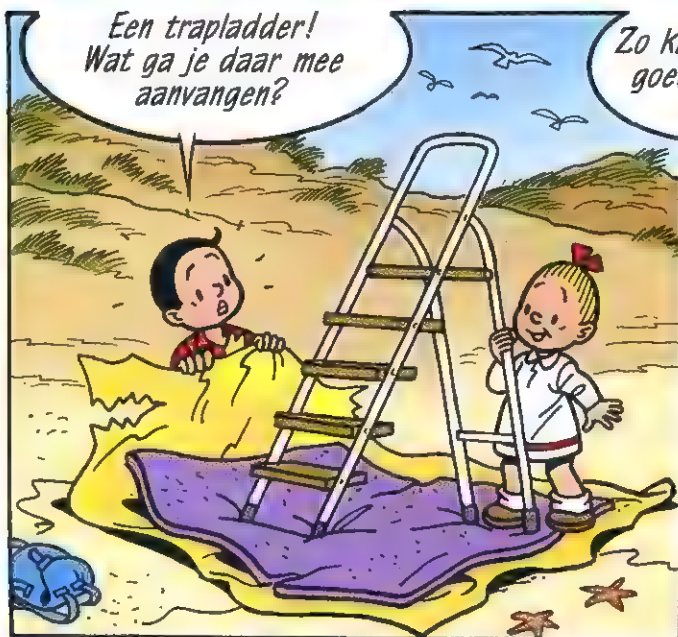

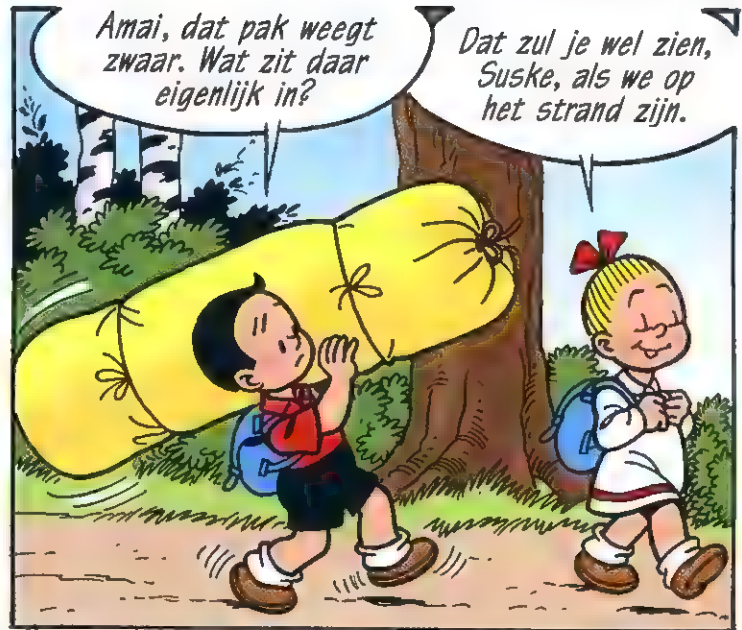

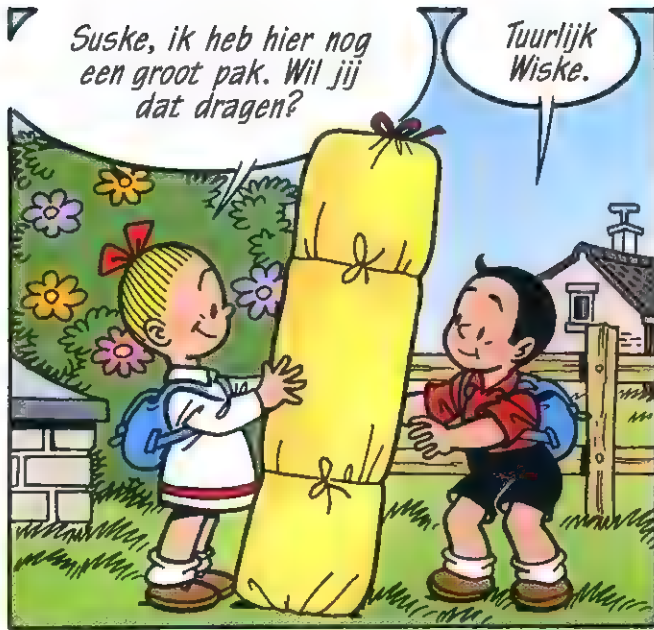

Hoe kan dat nu? Hij is weer klein geworden!

Ik zou het niet weten.

# KLEIN SUSKE EN WISKE

In deze verhaaltjes van telkens één pagina zijn  
Suske en Wiske twee kleuters van een jaar of  
vijf-zes die plezierige avontuurtjes beleven.

De grapjes zijn sterk visueel,  
waardoor ze al door jonge kinderen  
begrepen kunnen worden.

Veel plezier met dit schattige duo!
